

Olney Friends School

Please read the following Computing Services Acceptable Use Policy, then sign and bring this agreement form with you at time of enrollment.

Computing Services Acceptable Use Policy and Agreement **Olney Friends School** **3/2007**

DEFINITION: Computing Services refers to all information technology at Olney Friends School. This includes all computers, local area network (LAN) resources, Internet connectivity, projectors, printers, scanners, and other peripheral devices connected to these mechanisms.

RESPONSIBILITIES OF USERS: Students may not print or display on screens sexually explicit (obscene/pornographic) materials. The use of profanity or obscenities is not permitted on Olney Friends School computers. Written personal attacks on individuals are also prohibited. Deliberate attempts to disrupt the school's network or any other network or system on the Internet by sabotage is considered criminal activity under state and federal law. The use of computing services to engage in any activity which violates local, state, or federal law is prohibited. Usage which damages equipment or software may result in charges to your account or legal action.

Olney Friends School has the right to search the files of student and school computers if there is a reasonable suspicion of misuse of computing privileges.

DISCLAIMER TO PARENTS AND GUARDIANS: Olney Friends School provides unfiltered Internet access. This policy is reviewed throughout the school year and may change. However, we work hard to promote appropriate use and student self-monitoring so that censorship through Internet filters is not required. Olney Friends School does not control information found on the Internet and therefore cannot be held responsible for its content. Students should use **extreme caution** when sending personal information such as name, address, age, social security number, credit card number, etc. over the Internet.

Inappropriate use of Computing Services will result in loss of privileges.

Student Agreement: I understand that the use of Computing Services at Olney Friends School is a privilege, not a right. I have read, understand, and agree to the **Computing Services Acceptable Use Policy**. I understand that if I do not comply with these policies I could lose computing privileges and may face the possibility of more serious disciplinary and/or legal action.
