## ADDRESSES AND TELEPHONE NUMBERS

We ask you to provide us with addresses, telephone numbers, and email addresses. In the event parents are divorced or separated, please provide the information for both parents. Please indicate who is legal guardian, who will give permission for off-campus trips, and who should receive school mailings. (To returning families: we know it's a pain to fill this out again, but we really don't keep the forms from year to year. And who knows, something may have changed in the meantime. Thanks!)
